

Your First Choice for Floating Dock Solutions

LIMITED CONSTRUCTION AND FABRICATION WARRANTY

1. The AccuDock® product line has been manufactured and tested to satisfy the highest quality standards.

2. This Limited Construction and Fabrication Warranty ("Limited Warranty") covers manufacturing and workmanship defects in AccuDock® Floating Dock Solutions, as well as all related aluminum assemblies fabricated and sold by AccuDock®**.

3. This Limited Warranty is extended to the original purchaser only, is non-transferable, and only applies if the AccuDock® product was purchased from a registered AccuDock® dealer, or directly from AccuDock®.

4. The following are covered under this Limited Warranty for the stated time period; and only for the stated coverage:

Floatation: Twelve (12) yrs

Aluminum Assemblies: Seven (7) yrs

Structural: Two (2) yrs

5. To obtain coverage under the Limited Warranty, we must receive written notice of problems with workmanship or construction of AccuDock® Floating Dock Solutions (and all related aluminum assemblies fabricated and sold by us) no later than fourteen (14) calendar days after delivery of the product or installation for the benefit of the original customer. Notice must be in writing, with delivery confirmation. **Messages left by phone, fax, or email are not acceptable.**

6. Provided AccuDock® can confirm that the product was: (a) faulty or defective, (b) properly installed, (c) installed under normal conditions, (d)

used for the proper purpose, (e) suggested maintenance of product was followed*, and (f) the purchase qualifies for the Limited Warranty, then AccuDock®, at its sole option, may, at customer's expense, ship replacement product(s). All costs associated with removal of defective product or reinstallation shall be at customer's expense.

AccuDock™ extends this Limited Warranty only to the product manufactured, as described above.

7. If AccuDock® is unable to provide a replacement part and/or repair is not practical or cannot be accomplished, AccuDock® may, at its sole discretion, refund that portion of the purchase price attributable to the defective product.

8. **AccuDock®'s Limited Warranty Does Not Cover:** (a) accessories, (b) connected materials, and/or (c) related products not originally manufactured by AccuDock®.

9. **AccuDock®'s Limited Warranty does not cover:** (a) problems arising from the misuse of its product, (b) natural disasters such as hurricanes, or storm surges, (c) falling or floating debris, or (d) damage resulting from impact with watercraft, machinery, or vehicles.

10. **AccuDock®'s Limited Warranty does not cover:** malfunctions and/or damage resulting from (a) normal wear and tear, (b) improper installation, misuse of product, or use for something other than its intended purpose, (c) improper maintenance of product(s)*, (d) abuse, neglect, accident, and (e) alteration of

products performed other than at an AccuDock® manufacturing facility.

11. **NOTE:** High density polyethylene plastic may become brittle over time. The structural integrity of the plastic is covered under the two (2) year structural time period. Due to natural characteristics of high density polyethylene plastic, rippling or warping of plastic is superficial, not structural, and is not covered under the structural warranty period.

**AccuDock® offers a low-maintenance durable Floating Dock Solution that can be easily cleaned and will last for years. It is suggested that AccuDock® product maintenance be performed a minimum of twice a year. It is recommended that maintenance be done with a pressure washer or with water and environmentally safe detergent / cleaning brush. Depending on the environment and weather conditions, the AccuDock® product may require more frequent cleaning to maintain the product's appearance and material performance.*

****Custom orders and/or designs may not be covered under this Limited Warranty.**
