Event: ACCUDOCK™ DEALER BASE IS A GROWING SUCCESS

Pompano Beach, FL United States

AccuDock™ is now expanding their partnership program search! It is an amazing and rewarding opportunity for established contractors, dock builders and independents in the industry to increase revenue while expanding their product offerings to their customers! Every referral representative that joins the AccuDock™ Team receives full Marketing /Sales support from our home office. AccuDock™ also offers a generous concession for referrals of our product to this growing industry of Rowing and Paddle Sports enthusiasts!

Complete the form and be contacted immediately by our AccuDock™ Marketing Team!

“I'm excited to have the support of AccuDock in referring those I know in need of rowing dock products. I'm affiliated in the rowing community and appreciate the opportunity to present my contacts with the AccuDock product line. It's that simple, refer my contact to AccuDock and they take care of the rest. Once the sale is complete, I receive a commission...” AccuDock™ Referral Representative (International)

“... AccuDock™ supported me every step of the way. The support staff is all so pleasant and accommodating, doing everything in their power to help you secure that sale for you. I'm a very successful and extremely satisfied AccuDock™ representative.”
AccuDock™ Independent Distributor- (International)

Based in Pompano Beach, Florida, Accudock has been providing customers with floating dock solutions since the mid 1990's. We started with commercial floating platforms, and have integrated into the residential and club applications. Rowing docks, kayak docks, commercial platforms, work floats, and aluminum gangways are some of what we now offer. What separates us from the competition is our ability and willingness to customize products that fit the customer's exact needs.
